Wife Caught in Own Trap. Mrs. Hiram Jones, wife of a rich farmer living near Modovi, Wis., on Friday discovered evidence that her husband was on too good terms with the servant girl, and set a trap to catch him when he met the maid that night. She endured the caresses for a moment or two, then struck a match she had concealed, and as the flicker of the match lighted up the face of the hired man her husband was heard calling her.

The Battle Abbey. The last obstacle to the building of a Confederate battle abbey in Richmond to cost \$200,000, has been removed, and work will begin on the structure in a short time. This is the meaning of a letter received Saturday by Lieutenant Governor J. Taylor Ellyson, saying that a rehearsal of the Shaughnessey case had been denied in the New York Su-

JEWELRY.

Going Housekeeping?

If so, you can bardly get along without spoons, knives and forks. The silver-plated are without a doubt the most economical in the end. They wear longer, look better and cost very little more than the ordinary kinds. We can even supply silver-plated knives with steel blades.

Your sideboard is hardly complete without a silver set. Silver cake and fruit baskets should also be placed there.

A candelabra with will brighten the table considerably. After the spread has been cleared off a silver fern dish should be placed on the table.

The necessary things in cut-glass are the decanter, the berry bowl and the celery dish. In a great many homes the ice cream is served on cut glass plates.

On your dresser place a traveling alarm clock and a sterling silver or silver-plated toilet set, also a hat and clothes brush.

You will find plenty use of a number of small silver-plated trays. One has always co many trinkets to take care of.

There should be a jewel case on the dresser, if only for appearance sake. Over night it is a good place to keep the watch and Z-K Gold Chain.
